# Welcome to the Pineywoods Possum Walk!

A Coloring Adventure through the  
Wild Wonders of East Texas

Hey there, young explorers!

Get ready to step into a world of towering trees, secret trails, and wild woodland friends! This special coloring book is your guide to the animals you might spot while walking the beautiful forests and parks around Zavalla, Texas—right in the heart of the Pineywoods.

We're celebrating Zavalla's 125th anniversary, and you're invited to join the fun with the Pineywoods Possum Walk! From Cassels-Boykin Park to Boykin Springs, from the Historic Aldridge Sawmill Trail to the shores of Lake Sam Rayburn, the woods are alive with critters great and small—maybe even a possum or two hiding nearby!

As you color each animal, imagine where they might live, what they like to eat, and what they do all day in these peaceful piney forests. Keep your eyes open during your walk—you never know what furry, feathery, or scaly friend you'll spot next!

So grab your crayons, lace up your walking shoes, and let's explore the magic of East Texas nature together.
